

Grainger County

Home of those world famous great tasting Grainger County Tomatoes!!!

Art by: Wendy Leedy 865-993-2952

We also grow a wide range of other produce. Green beans, cucumbers, peppers (all kinds), cantaloupes, pumpkins, strawberries, onions and much more.... Make sure you plan a stop at one of the locations listed in the map on the inside to find great fresh taste for your next picnic or meal. You can even take some home to can for the winter.

Grainger County, Tennessee
